Top Workplaces Benefits

You will be recognized in a special edition of The Salt Lake Tribune and receive an online profile on topworkplaces.com.

Becoming a Top Workplace is a great way to attract and retain the best talent.

You can use the Top Workplaces logo on company materials and websites.

The Top Workplaces program is evaluated on the basis of the brilliantly simple WorkplaceDynamics survey. The results of which can be used to assess the health of your organization.

The Top Workplaces Program identifies organizations that excel at organizational health and workplace engagement. We do that through our brilliantly simple and scientifically sound employee feedback survey.

We conduct the Top Workplaces Program in partnership with more than 40 prestigious media partners across the United States, such as The Washington Post, The Chicago Tribune, and The Boston Globe.

WorkplaceDynamics recruits participating organizations, administers the survey, and creates the list of top-ranking organizations. Participation is free.

But wait...there's more!
What's in it for you? Consider the benefits of being named a Top Workplace:

Assess, reward and improve your organization: The results from the Top Workplaces survey can help you assess the health of your organization. Use them to honor your achievements and set new goals.

Boost recruiting: Attract and retain the best talent. Employees want to work at companies recognized as leaders that operate by a strong set of values.

Raise your business profile: Use the Top Workplaces logo on company materials and websites to help spread the word about your successful work environment. Your customers and business partners will take notice. That awareness can help create new business opportunities, too.

Earn public recognition: Your achievements will be recognized by local media, in print and online.
